The modem is active and sending vehicle data (e.g., diagnostics) to Ford. See in-vehicle settings for connectivity options.

FordPass® Connect (optional on select vehicles), the FordPass App and complimentary Connected Service are required for remote features (See FordPass Terms for details). Connected service and features depend on compatible network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. See your local Ford website for our privacy policy.
