California Air Resources Board

Gasoline Vehicle

# Environmental Performance

These ratings are not directly comparable to the U.S. EPA/DOT light-duty vehicle label ratings.  
For information on how to compare, please see [www.arb.ca.gov/ep\\_label](http://www.arb.ca.gov/ep_label).

Protect the environment. Choose vehicles with **higher ratings**:

## Greenhouse Gas Rating (tailpipe only)

A horizontal bar chart representing the Greenhouse Gas Rating scale from A+ to D. The bar is divided into segments: A+ (green), A (light green), B (medium green), C (dark green), and D (black). A black callout bubble with the letter 'D' is positioned above the bar, pointing to the D segment. Below the bar, the word 'Cleaner' is written on the left side.

## Smog Rating (tailpipe only)

A horizontal bar chart representing the Smog Rating scale from A+ to D. The bar is divided into segments: A+ (green), A (light green), B (medium green), C (dark green), and D (black). A black callout bubble with the letter 'B' is positioned above the bar, pointing to the B segment. Below the bar, the word 'Cleaner' is written on the left side.

Vehicle emissions are a primary contributor to climate change and smog. Ratings are determined by the California Air Resources Board based on this vehicle's measured emissions.

The FordPass™ Connect modem is active and sending vehicle data (e.g., diagnostics) to Ford.\*\* See in-vehicle settings for connectivity options.

\*Based on 1977–2024 CY total sales.  
\*\*FordPass Connect (optional on select vehicles), the FordPass App and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot.

FORD PROTECT®

Insist on Ford Protect! The only extended service plan fully backed by Ford and honored at every Ford dealership in the U.S., Canada and Mexico. See your Ford dealer or visit [www.FordOwner.com](http://www.FordOwner.com).

**WARNING:** Operating, servicing and maintaining a passenger vehicle, pickup truck, van, or off-road vehicle can expose you to chemicals including engine exhaust, carbon monoxide, phthalates, and lead, which are known to the State of California to cause cancer and birth defects or other reproductive harm. To minimize exposure, avoid breathing exhaust, do not idle the engine except as necessary, service your vehicle in a well-ventilated area and wear gloves or wash your hands frequently when servicing your vehicle. For more information go to [www.P65Warnings.ca.gov/passenger-vehicle](http://www.P65Warnings.ca.gov/passenger-vehicle).
