For equipped vehicles, The FordPass Connect™ modem is active and sending vehicle data (e.g., diagnostics) to Ford. See In-vehicle Settings for connectivity options.

FordPass Connect service™ and FordPass App™ required for certain remote features (see App Terms for more information). Connected service and related feature functionality is subject to compatible AT&T-network availability. Evolving technology / cellular networks may affect functionality and availability, or continued provision of some features, prohibiting them from functioning. Message and data rates may apply. See your local Ford website for our privacy policy.
