California Air Resources Board

Gasoline Vehicle

Environmental Performance

These ratings are not directly comparable to the U.S. EPA/DOT light-duty vehicle label ratings. For information on how to compare, please see [www.arb.ca.gov/ep\\_label](http://www.arb.ca.gov/ep_label).

Protect the environment. Choose vehicles with higher ratings:

Greenhouse Gas Rating (tailpipe only)

A+ CleanerD

Smog Rating (tailpipe only)

B+ CleanerD

Vehicle emissions are a primary contributor to climate change and smog. Ratings are determined by the California Air Resources Board based on this vehicle’s measured emissions.

GOVERNMENT 5-STAR SAFETY RATINGS

Overall Vehicle Score

Not Rated

Based on the combined ratings of frontal, side and rollover. Should ONLY be compared to other vehicles of similar size and weight.

|                                                                                                                        |                      |           |
|------------------------------------------------------------------------------------------------------------------------|----------------------|-----------|
| Frontal Crash                                                                                                          | Driver Passenger     | Not Rated |
| Based on the risk of injury in a frontal impact. Should ONLY be compared to other vehicles of similar size and weight. |                      |           |
| Side Crash                                                                                                             | Front seat Rear seat | Not Rated |
| Based on the risk of injury in a side impact.                                                                          |                      |           |
| Rollover                                                                                                               | Not Rated            |           |
| Based on the risk of rollover in a single-vehicle crash.                                                               |                      |           |

Star ratings range from 1 to 5 stars (★★★★★), with 5 being the highest. Source: National Highway Traffic Safety Administration (NHTSA). [www.safercar.gov](http://www.safercar.gov) or 1-888-327-4236

**WARNING:** Operating, servicing and maintaining a passenger vehicle, pickup truck, van, or off-road vehicle can expose you to chemicals including engine exhaust, carbon monoxide, phthalates, and lead, which are known to the State of California to cause cancer and birth defects or other reproductive harm. To minimize exposure, avoid breathing exhaust, do not idle the engine except as necessary, service your vehicle in a well-ventilated area and wear gloves or wash your hands frequently when servicing your vehicle. For more information go to [www.P65Warnings.ca.gov/passenger-vehicle](http://www.P65Warnings.ca.gov/passenger-vehicle).
