vehicle can expose you to chemicals including engine exhaust, carbon monoxide, phtl lead, which are known to the State of California to cause cancer and birth defects or other reproductive narm. To minimize exposure, avoid breathing exhaust, do not idle the engine except as necessary, service your vehicle in a well-ventilated area and wear gloves or wash your hands frequently when servicing your vehicle. For more information go to www.P65Warnings.ca.gov/passenger-vehicle.
