FordPass Connect™ service and FordPass™ App required for

certain remote features (see App Terms for more information) Connected service and related feature functionality is subject

to compatible AT&T-network availability. Evolving technology / cellular networks may affect functionality and availability, or

continued provision of some features, prohibiting them from functioning. Message and data rates may apply. See your local

Ford website for our privacy policy.

Actual results will vary for many reasons, including driving conditions and how you drive and maintain your vehicle. The average new vehicle gets 28 MPG and costs \$9,500 to fuel over 5 years. Cost estimates are based on 15,000 miles per year at \$.16 per kW-hr. MPGe is miles per gasoline gallon equivalent. Vehicle emissions are a significant cause of climate change and smog.
